

## POETRY.

## RATHER HYPERBOLICAL.

They tell me, love, that heavenly form,  
Was fashioned in an earthly mould,—  
That once each limb and feature warm  
Was lifeless clay and cold;  
And the old nurse, in prating mood,  
Vows she beheld thy babyhood,—  
But vain the specious web and frail—  
My heart can weave a truer tale.

They lured a radiant angel down,  
And clipped its glorious wings away,—  
They bound its form in stays and gown,  
And taught it here to stay.  
They quenched its dazzling crown of flame,  
And call'd it by a mortal name;  
But art or skill could e'er efface  
The heavenly mind, the angel grace.

And would you deign to linger here,  
And tread with me this mortal earth,  
A group of chanting cherubs, dear,  
May cheer our humble hearth;  
And each will be—nay, do not laugh—  
Angel and mortal, half and half,  
And every pretty dear, when vexed,  
Will cry one hour and sing the next.

But oh! I greatly fear, my love,  
That earthly joys would all be vain,  
And, longing much for things above,  
The plumes might grow again;  
And so you might, some pleasant day,  
Take to your wings and fly away.  
—I shall be sorry if you do,—  
But, dearest, take the children too. ELAH.

## American Domestics, &amp;c.

50 Bales 4-4 Brown Cotton,  
15 do. 3-4 do. do.
